Task 3 — Before and After (version 3): Headings, Opening Lines and Photo Descriptions

Prepared by	Prepared for	Website	Status
Prodman Nexus Solutions — Sathish Kumar M	Dr Divya S	https://drdivyaphoenixdental.com	For review — development copy of the site, not live yet

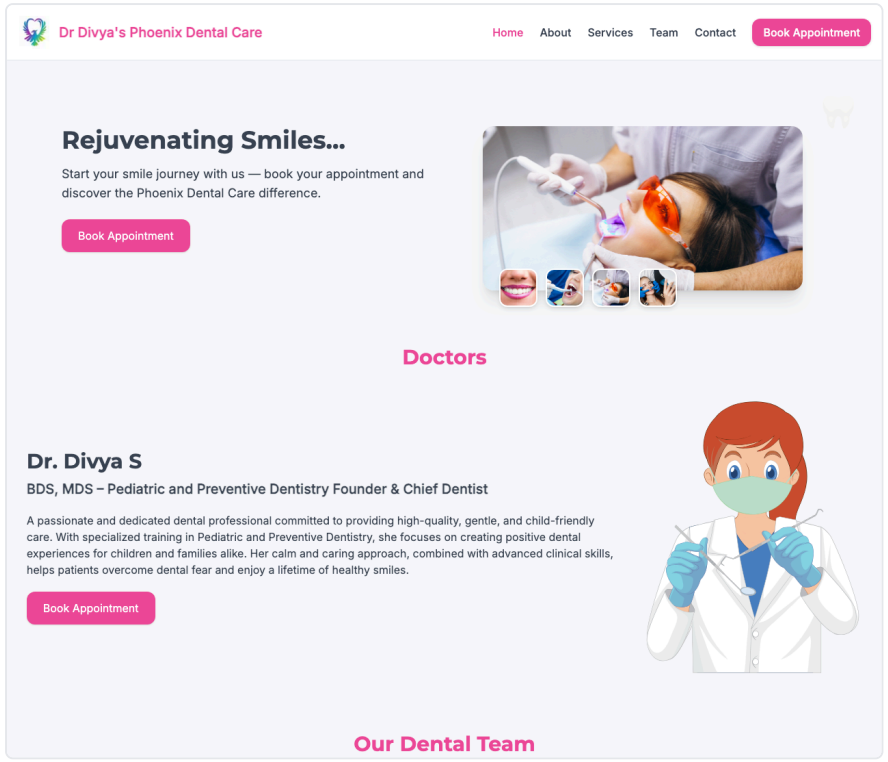

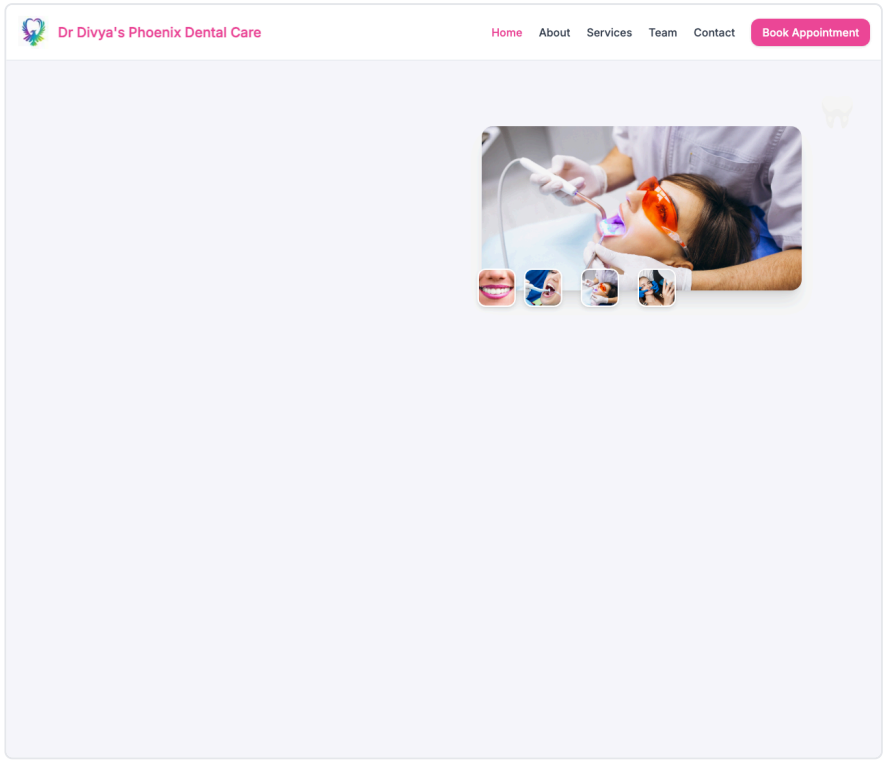

Version 3 (after second review): Services description and the Team *Our Doctors* section are back to the original; the Contact intro is one clear paragraph; long dashes removed from all new text; Root Canal opening line no longer mentions the location. The location is added at most once per page (Home heading line, or an opening line).

Summary of changes

#	Page	What changed
1	Home	Small heading line *Dental Clinic in Chitlapakkam, Chennai*; new opening line; *Meet Your Dentist*; photo descriptions
2	About	"trusted" and "painless" removed (advertising rules)
3	Services	No visible change (original heading and description)
4	Team	Original *Our Doctors* section; updated doctor title
5	Contact	One clear intro with a tap-to-call number
6	Treatment pages	*About [treatment]* heading + new opening line (Root Canal without the location); photo descriptions no longer say "at Phoenix Dental Care"
7	Every page	One main heading; no skipped heading levels; every photo has a description

Each following page shows one before/after pair (desktop width, plus one phone view of Home). Slider photos rotate, so the photo shown can differ.
